The G+D offering plays an important role in people’s everyday lives.
We make the lives of billions of people more secure.
We are a global SecurityTech company and innovation leader in three segments:

**DIGITAL SECURITY**
Trusted protection of confidential systems, networks, data and identities

**FINANCIAL PLATFORMS**
Holistic offering for contemporary payment and banking experiences

**CURRENCY TECHNOLOGY**
Secure public currency solutions in physical and digital ecosystems
Our lives are becoming increasingly connected and digital

The digital landscape expands, unlocking a myriad of possibilities. But safeguarding our interconnected world means ensuring security without compromising accessibility and convenience.

- **Internet of Things**
  14 billion devices will be connected to cellular operator networks in 2027.

- **Identities**
  The global government ID market is expected to grow to almost 4bn EUR until 2027.

- **Cybersecurity**
  By 2026, annual cybercrime costs worldwide could exceed $20 trillion, an increase of almost 150 percent compared to 2022.
We protect and manage confidential systems, networks, data and identities in physical, digital and mobile settings.
